Procedure

Based upon the calculation of fees and charges for individual students, the process may vary from student to student. The following procedures detail the steps required in every case, regardless of available funding, loan eligibility and suitability, concessions or fee-for-service payments.

As part of the application process and when the fees are discussed, Elly Lukas College ensures that the prospective student understands that the fees are not part of the tuition; the purpose of the fees; the total course liability to be incurred as when and how the fees are to be paid. The applicant acknowledges their understanding through signing against the relevant Clause on the Elly Lukas College *Application Form*. This is reinforced and further clarified if required at the time of the student's enrolment, with the student once again, required to verify their understanding through signing against the relevant Clause of the Elly Lukas College *Enrolment Form*.

1. General Requirements for Calculation and Levying of Fees

1.1 For each enrolment in a course or qualification, Elly Lukas College will calculate a tuition fee on the basis of an amount for each scheduled hour of training which a person enrolls in at that time. 1.2 Elly Lukas College will supply each individual with a Statement of Fees, being an itemised list of all fees and materials, and any other charges incurred as a requirement for the course, prior to enrolment. The Statement of Fees will clearly indicate the actual tuition fee per scheduled hour that the individual is being charged.

1.3 Elly Lukas College will not charge tuition (or other) fees for an enrolment for which funding has been provided directly or indirectly by the Commonwealth Government and where a condition of the funding prohibits the imposition of a tuition or other fee.
